

SLEEPTITE THERMAL Heat Treatment Notice & Instruction Sheet – Bed Bugs

Job Address: _____

Owner/Contact: _____

Special Instructions: _____

Important: Read Carefully.

Articles that are impractical to remove may be wrapped with an insulating material or placed in the refrigerator.

Please remove from the treatment area the following items:

- o People, plants, and pets. Fish and/or tanks must be removed from the residence prior to service.
- o Medicines and vitamins & all aerosol cans.
- o Fresh fruits and vegetables, chocolates, wines, liquors, carbonated drinks (i.e. pop, soda, liquid beverages etc.), any artificial sweeteners. Wax based or paraffin based items (i.e. make-up, lipstick, candles, wax figurines, crayons, etc.) In lieu of removal, small items may be placed in a refrigerator.
- o Guns and ammunition.
- o Antique furniture with finish or fragile glue points.
- o Vinyl miniblinds and vinyl ceiling-mounted fan blades. Remove vinyl items where possible.
- o Wooden and stringed musical instruments, please leave the cases.
- o All currency and valuable items (ie. CASH, Jewelry, Valuable ART WORK and the like.)
- o Please remove all batteries from smoke detectors.
- o While saving your furniture is one of our primary goals, if items are severely infested disposal may be required, do not throw away any furniture unless advised by our inspector.
- o HIGH RISK ITEMS of CONCERN: _____

Prior to treatment complete the following:

- o **Reduce Clutter. Closet floors must be cleaned out. Nothing under beds. Eliminate floor Clutter**
- o Vacuum Floors, after vacuuming put a small amount of baby powder (talc powder) into vacuum cleaner.
- o **Strip all beds, remove linens, hot water wash, high heat dry** and leaved bagged until completion of service.
- o Any clothing or linens present during treatment should be placed loosely in laundry baskets to allow the heat to penetrate, NO BAGS!
- o Unplug Computers and all other electronics.
- o Picture frames assembled with hot-melt glue should be removed from hanging and kept in the room during treatment.
- o Waterbeds must be drained and disassembled to allow the frame to reach the proper temperature. Airbeds must be partially deflated to avoid damage. Electric pump Select comfort airbeds must be partially deflated and unplugged from outlet.
- o Turn on your home heating system the morning of service and set the thermostat to 90 degrees.
- o Other Instructions: _____

It is the owner's/agent's/tenant responsibility to notify Sleepitite of the presence of the following items: Fire sprinklers and heat sensors. If you have any questions about any of the above requirements please call Sleepitite immediately at 844-HEAT BUG. In the event you do not complete this Instruction sheet as prescribed and Sleepitite is unable to provide service on scheduled service day, there will be a \$100 trip charge assessed unless a 24 hour notice is received for rescheduling. A \$100 per hr charge may be assessed for Sleepitite finishing necessary steps incomplete on this list to proceed with service.

REQUIREMENTS AND CONDITIONS. Sleepitite Thermal Bedbug Extermination, LLC assumes no liability for damage to structures not built to local codes, or for faulty gas meters, pipes or wires. It is necessary to have access to electrical power. We are not liable for damage to old, oxidized, or improperly applied, peeled, or chipped finishes. We also assume no liability for damage to painted surfaces.
